What is Mercer Data Connector

- Mercer Data Connector is our easy, online data submission tool, which allows you to share your survey data with us faster with seamless importing, online job matching, and real-time tracking.
 - You can use the tool to:
 - Add users & assign specific sections
 - Submit data for multiple entities all on the same template
 - Review & resolve audits and data validations
 - Finalize your submission & order 2024 survey results

How to access Mercer Data Connector

The image shows a screenshot of the Mercer website. The top navigation bar includes the Mercer logo, a home icon, and a menu with 'Salary data', 'All products', 'HR topics', 'Industries', 'Webinars & training', and 'Blog'. A dropdown menu is open under 'Salary data', listing options like 'Salary data home', 'General industry surveys', 'Industry surveys', 'Hourly pay', 'Prevailing wage data', 'Survey participation', and 'Global pay data'. A red arrow points to the 'Survey participation' option. The main content area features the heading 'Solutions for your HR needs' and a list of services including 'Salary surveys', 'Benefits offerings', 'Mobility products', 'Engagement tools', 'Policies & pr...', 'Turnover res...', and 'Flexible wor...'. A sign-on modal is overlaid on the right, titled 'MERCER Single Sign On', with the instruction 'Please enter your email address. If you are a corporate user, please use your company email address.' and a 'Next' button.
